Fire Station 21

Chief Summers

I had the opportunity to meet you at a birthday party several months ago at Fire Station 21. During our conversation, you stated that, due to an abundant number of stairs, one of the goals for your battalion was to get monies donated for the installation of a elevator or lift for Station #21. To assist you in this undertaking, I would like to make a charitable contribution of approximately 8 (eight) to 10 (ten) thousand dollars in stocks to fire Station #21 and the Atlanta Fire Rescue Department to be sold specifically for that purpose

Please provide me with a name, a contact number, and the steps that I need to take to make this happen. I live in the neighborhood and I truly appreciate the services that you and your personnel provide.

Mrs. Martha Caldwell
